

## ***THE VENUE***

- The tournament will be held at the beautiful [Golf Club at Fox Acres](#) in Red Feather Lakes, Colorado (about an hour drive northwest of Fort Collins). Games will be hosted in close proximity to the Clubhouse, on Arapahoe Lake between the 1st and 18th hole.
- Parking is ample at the venue, but certainly you will have walking to do once you arrive. In order to get to the Player's Tent and the rink access point, you will need to walk a little ways down the cart path past the first hole. Plan to wear good boots and bring yaktrax if you happen to have a pair. The cart path down to the ice can become slippery in the wintertime, so use caution when walking.
- Only authorized personnel will be allowed to drive vehicles down to the player tent area in order to reduce damage to the first fairway.
- Got gear? Fox Acres will be offering gear storage to players in their heated cart barn. Access to the cart barn will be monitored and the area will be locked one hour after the last game of the day and will reopen one hour prior to the start of games.
- Fox Acres has an excellent restaurant in the clubhouse that will be open to the public for meals (breakfast through late evening hours). Their restaurant has gluten free, dairy free and vegetarian options to offer.
- Additional meals, beverages, beer and cider can be purchased for guests and spectators. Some meal items will also be sold in the Player's tent.
